

Traditional Manufacturing, Co-creative & Competitive

***"The era of manufacturing is over."
Such opinion is flattering around and
Enomoto Machine is right
in the middle of the situation.
We manufacture to support
our customers in their manufacturing.
That's our work and that's what we do.***

***Screw press machine has nearly unlimited capabilities.
"Hammering", "Pressing", "Hardening",
"Joining", "Squeezing".***

***We will work together with you
to find the best forming method.***

***With our unique technology.
We take challenges to create new production.***

***Our pride ENOMOTO SCREW PRESS
will crush your problems along with the raw materials !***

***Supporting the future through Traditional Manufacturing
ENOMOTO MACHINE CO.,LTD.***
